

Technical Guideline for GIESED2020

You have to update the ZOOM apps to version 5.4.3 for meetings. Click link below:

<https://zoom.us/download>

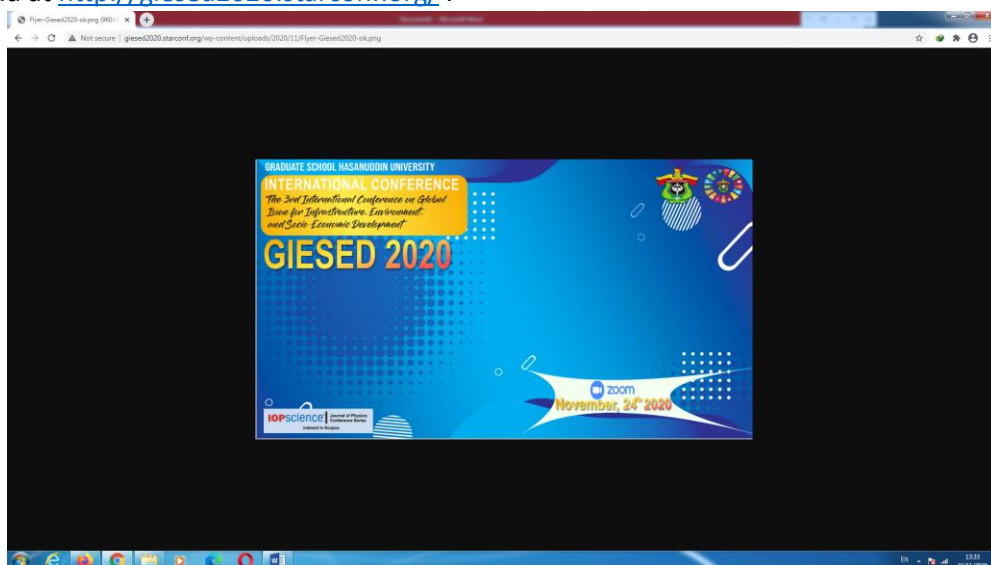

Press the Download button, and then open the file. After installing process, open ZOOM app and join the GIESED's meeting which has been informed.

Please to change the username with code:

PaperCode_YourName

For example: IF-001_Qaidahiyani

During the GIESED 2020 event, please kindly to use the **Virtual Background** which you can download at <http://giesed2020.starconf.org/>.

The parallel session will be held after the main session in the **breakout room**, you can see the button at the bottom of your screen (ZOOM). There is 7 (seven) rooms for parallel session, choose your room according to the presentation schedule.
